

## Genie Forklift

Genie Forklift Training St Catharines - Genie is a universally established corporation that enjoys the spirit of partnership with their sizable network of allied customers. Genie Industries prides itself on the intention of bringing materials and people higher and extending further beyond the goods they manufacture. Genie Industries strives to help clientele build their operations no matter how large or small the level of operation may be.

In 1996, with the launch of the Genie Hoist, which is a pneumatic, portable material lift spawned the beginning of Genie Industries. A succession of aerial work platforms and additional materials lift trucks followed to satisfy customer demand. These progressive goods secured international recognition and established state-of-the-art product design.

Currently, Genie Industries is a subsidiary of the Terex Corporation. Among their highest priorities are to fabricate and maintain foremost quality manufacturing and uncompromising level of support and service. With consumers from Dubai to Dallas and Hong Kong to Helsinki requesting the unique blue coloured material lift trucks on the jobsite, the company is securely planted in their exceptional customer values and service. Acknowledging that their consumers are their greatest motivation, the team at Genie Industries are personally committed to providing expertise and maintaining customer rapport.

The conscientious team is constantly committed to ascertain the most green and efficient, environmentally accountable methods to develop the goods the consumers would like. The company's "lean manufacturing" practices help diminish waste while offering the utmost quality product possible in the shortest timeframe at the least expensive cost to the customer. The staff at Genie Industries is proud to serve the industry and this is reflected in every product they manufacture. Always inviting customer contribution enables them to manufacture and develop progressive new products that are simple to service and operate, provide optimum value-for-cost and satisfy international standards. Thriving on customer opinion allows Genie Industries to repetitively evolve and meet the consumers' needs.

Genie service experts grasp the importance of uptime. They are readily available to answer inquiries and provide solutions. Their vast parts network will swiftly ship components to guarantee their consumers' equipment are operating efficiently. Every product comes backed by a competitive and reliable warranty.

Genie Industries prides itself on customer success. They build and service their products to boost efficiency and uptime on the job. Providing on-going training opportunities, to marketing support to adaptable financing solutions, Genie Industries provides their customers the resources to get the most out of their investment.
